

July, 2017

To: Parents of students in Understanding Animals (#18 and #47)

On Wednesday, July 12, your child's class will receive a visit from McDonny's Farm, a delightful petting farm that includes a baby goat, bunny, chickens, and a small pony. Your child will be able to spend time touching and playing with these gentle animals. In addition, with your permission, your child may have a brief hand-led pony ride. Naturally, our staff, as well as the experienced staff from McDonny's, will supervise this visit.

Please sign and return the form below before Wednesday, so that your child may enjoy the pony ride. If your child is reluctant to go, he/she will be free to "opt out". However, if he/she **wants** to ride and we have not received this form, we will not be able to give permission.

If you have any questions about this, please call us beginning July 3 at (978) 409-6618 (school) or anytime at (978) 475-1422 (office).

On Tuesday we will have other visitors: live tidepool animals from the New England Aquarium! We hope that your child has a wonderful week in Understanding Animals!

Thank you,  
Janis Baron, Director  
Phyllis Lanciani, Instructor

---

Please return this form by Wednesday morning. Thank you.

PERMISSION FORM

I give permission for my child, \_\_\_\_\_, to participate in a pony ride with his/her fellow students in Understanding Animals on Wednesday, July 12, 2017. I understand that my child will have a brief hand-led ride and that my child will be held the entire time.
