

# Calling All Inventors!!!

## The Invention Convention course is in need of your help

During our week together (July 10-14, 2017) we will be creating models of new inventions. To do that we will be using some parts from old unwanted inventions. We are looking for donations of unwanted appliances, computers, or electronics (no TV's or computer monitors, please) that we can take apart and use. If you have any of these items, please bring them in with your child or drop them off in advance.(No sooner than July 3)

Thank you in advance for your support. We are looking forward to a week of innovation, creativity, and fun!

Beth Federico, Invention Convention Instructor
