

Welcome to Ultimate Sports! (#183) This course will be filled with many fun sporting activities. Children will participate in two (2) different sports per day. Each sport will be taught and played that particular day. Students should wear sneakers and bring a full water bottle each day. (Water bottles can also be purchased at Kaleidoscope for \$1 each.)

Please put sunscreen on your child in the morning, as we will mix up the class by being both inside and outside, depending on the weather. The schedule below is what we plan to accomplish. All children will have fun and learn some new sports.
