

Teacher Survey

_____ has enrolled in the KITE Program (see attached). We are asking that you help us by providing the following information, which will enable us to develop the best possible learning experience for this child.

On a scale from 1-5 (5 being the highest), please evaluate this student in relation to his/her peer group in the following areas.

Reading/Language Ability	1	2	3	4	5
Mathematical Ability	1	2	3	4	5
Independent Learning Skills	1	2	3	4	5
Task Commitment	1	2	3	4	5
Creativity	1	2	3	4	5
Oral Expression	1	2	3	4	5

Check the learning situation(s) in which you feel this child is most successful:

- _____ independent study
- _____ small group discussions
- _____ large group discussions
- _____ learning games
- _____ cooperative learning experiences
- _____ (other) _____

Please share at least one example of a special interest, talent, or successful learning experience that you have observed this year. Feel free to add any additional comments or learning characteristics that might help us prepare a stimulating thinking skills program for this student. Thank you for your time!
